## **HOBBIES AND INTERESTS**

### **Music and arts**

Graduated an Art School, so I'm also a great painter. I have some experience also in graphic design, at the same time I am passionate of music. I love listening to music, deep lyrics and also doing music, working on doing the instrumental in FL-Studio and also playing and doing a better voice performance in settings.

### **PC collector**

In 2018 I started to collect PC, so I have a huge experience in PC architecture (Hardware). By the time I collected more than 20 PC from the start, until it works (Motherboard, CPU, Graphic Card, HDD/SSD/M2, RAM, Power Supply, PC Cases for a better ventilation) also installing Windows 7/8/10/11 and installing drivers.

### **Politics and history**

History is one of my favorite topics. I have studied and still study a lot of history, therefore politics is the hottest chapter that is tight connected with history. Politics gives me an opportunity to think strategic and smart about my next steps and also is a result of influencing my critical thinking in a better way by debating with other people on world situation, problems and solutions.

## **MANAGEMENT AND LEADERSHIP SKILLS**

### **A diplomatic leader**

Organised before a lot of events, so I can handle working and collaborations with a big amount of people. Diplomacy is one of my languages, because I enjoy to interact with people and get to a common ground, also searching and reaching the target we have pointed to.
